EL ARROYO

Dear D.M.  
I have enjoyed  
being in High School  
with you these 3 years  
I am going to miss the  
arguing, etc. I will also miss  
that fine blocking next year. I class  
guess you know everything else we have really lost  
rivalry and all in fun. I know you do and I know as  
about was all in taking that you are  
a lot of fun taking that you are  
competent in all  
you will do well

Best of luck  
D.M. You will  
have very success  
in the future and  
I hope you will  
be a great success.

Dear D.M.  
Now that your leaving  
I don't know who I'll find  
to fight and argue with.  
It'll be hard to find anyone  
equal to you and I doubt if  
I ever will, but I'll be up  
at 7 AM with you one of these  
days and we can start over again  
across junior gal,  
A. Clark

THIS BOOK BELONGS  
TO  
DEAN MCGUIRE DENTON JR.

WHO AT LAST IS A

Senior

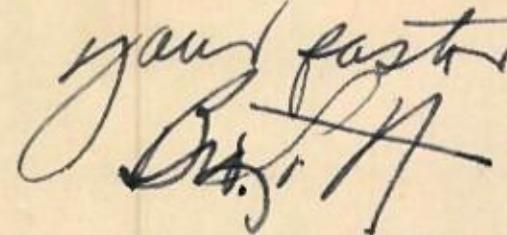

**Ex Libris**

Dear D.M.,

Dane's to a well known  
who I never knew very  
well. Here's wishing you  
the best of luck in exams  
and at the fitter's

H.M., you have made an outstanding record for yourself during high school, and I know your college career will be as gratifying. Your ideals and aspirations are the very highest. Your contributions to your school, your church, and your community have been of enduring value. In short, you are doing a good job of this business we call "life." That must be attributed to the fact you are made out of the right stuff. How could it be otherwise, having the parents you have?

Whatever you are I know that you will be putting your best into whatever you are doing, and be assured that my very best wishes and my fervent, earnest prayers are for you.

Yours fast  

Your pastor has expressed my sentiments. You have been a wonderful help to us with our young people's work. Be yourself and you'll be all right. Mrs. Gotts.

=  
Here's wishing you many years of happiness and success. May the next four years bring as much joy and satisfaction as have the past four. May you continue in the paths which you have begun and stay in the race until it is won. Sincerely yours  
I shall be pulling & praying for you. Lucile Beck.

On this lovely June afternoon, your neighbors ask  
for you those things that will aid you most in grow-  
ing into the man we expect you to be. Our sincerest  
wishes will follow you through all the tomorrows that  
lie ahead.

Sincerely,

Mr. and Mrs. Bryson

and

Iva Jeon.

# SENIORS

Connie Doherty  
Nancy Brown

These seniors will always be remembered for:

D.M. Denton Jr. - President

His Broadness: in mind, body, mouth,  
and so on.

He's a swell all-around guy and a  
favorite leader of his class.

*Merle*

Merle Weaver - Vice-president

One of our best football  
players.

He's quiet but don't let  
that fool you.

He's another Weaver and  
they're practically trad-  
itional to the school!!

Billie Jean Cocke-Secretary

Better known as "Bim".

She has constant wit and  
to those who know her best she's  
the life of any party.

And on top of all of this she's  
smart too!!

Bus Pat Hough - Publicity chairman

Being born with a developed mind.

He has a dry, sarcastic wit that keeps  
you in stitches.

Just another card dealt from the bottom of  
the deck.

*D.M. Since first grade without a  
serious fuss. Good deal! I'm glad to  
have known you D.M. You've done a  
lot for me and I really appreciate it.  
You are top, love, Bus*

Mary Louise Altus

Her quiet efficiency  
and pleasant disposition.  
The 4-H Club would be  
lost without her.

Bill Ayers

His line, his laugh,  
and his women. One of  
the best dressers in high  
school.

Margaret Ann Biggs

We all know her as  
"Biggs". She's crazy as  
they come and it's a  
fact that they threw away  
the pattern after they  
made her. Eut, no kiddin'  
she's a lifelong friend.

Bryon Broyles

He's the early bird of  
the school. If any of you  
are flunking solid geome-  
try, come to Bryon.

Eric Caldeira

Oh! do you hear that  
foreign accent. I bet  
he's hit every foreign  
country, and you should  
hear him rattle off that  
Spanish.

Mardelle Anglin

Oh! thoes innocent blue  
eyes, thoes golden locks;  
she's often absent-minded  
but if you're her friend  
once, you always will be.

Eleanor Beals

She's scatter-brained at  
times but you can't hold that  
against her. It takes people  
like Eleanor to have such  
talents.

Harris Lou Bode

He loves airplanes and it  
would be no surprise to find  
seven or eight of them hidden  
under his bed. One of his  
best traits is that he's  
smart and that's enough for  
anybody.

Bettie Lou Bupp

Man! Oh, man! can that  
gal sing! She's the song-  
bird of H. H. S.  
And like all the rest  
of us, she's nicknames--  
"Buppsie."

Janet Carden

She's not so quiet and  
serene as she appears. She  
must be smart because she  
made honor society.

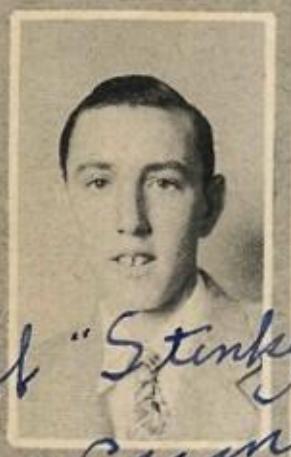

Betty Sue Caulk

She's the 1943 Football Sweetheart and a swell er-ah-companion (if you get what I mean) of Billy Knipe's.

Norma Clark

Um! those come and get me big brown eyes. The band is proud of her as their Band Sweetheart.

Robert Cramer

Better known as "Stinky". He just loves to get into a nice juicy argument in classrooms.

*Bob "Stinky" Cramer*

Coralyn Davis

She's constantly chattering and here's one girl that's full of vim, vigor, and vitality. She's really tops!

Thelma Dickinson

Has a quiet agreeable disposition. We're sure she has many secret abilities

Kenneth Drews

He's known as "Never on time Drews". But you can be proud of that, Kenneth, not many of us can get away with it.

Elizabeth Du Bose

She has pretty black hair and is as friendly as they come.

Delores Duerson

Well! We don't know how she does it, but she does it. Through four years of high school she's held many favors and the boy friends she's had, oh, man!

Marilyn Eble

She's the best-natured girl with the nicest smile. Pardon me, but do you hear a slight northern drawl?

Wilma Gajdosik

It's wonderful that she can spell her last name, because we can't.

She always has a friendly smile for everyone.

Dalia Garza

You never see her without a smile on her face. She's one of the best sports in P. E. and more fun!

Sunshine Gillespie

Sunshine would help anyone in the world. She's made and has more friends with the help of her grand personality. She's just a swell all-around girl!!!

Roy Gutierrez

He can draw like everything and has musical abilities, too.

Gilbert Hees

He is always in high spirits, and is a faithful sportsman. In other words, he's a busy little bee!

Carroll Beverly Holt

How do you like that for a middle name? He's got such a manly build. Hurry up girls, it's Leap Year.

And by the way, do you remember those side-burns?

Norma Lee Gifford

She can play softball like nobody's business. Her ambition should be to be a P. E. teacher.

Marian Frances Greenwood

Her public-speaking ability can outshine everyone. She's a good leader and a favorite among her friends.

Johnny Hatley

Um! is he good-looking! And he can blush too. He loves to play basketball and is good at it. You'll always get a good word from Johnny.

*Be a good aggie  
D.M. Johnny*

Joan Herron

Her nickname is "Shorty" but that's o.k. because she can always wear high heels. There's nothing in the way of athletics that she can't do.

*Best of luck to you Joan Holtry*

Joan Holtry

Her shyness overwhelms us and how reserved she seems. But we know her and she's swell.

**David Hoover**

Oh! his blonde hair and that wave is just perfect. Dave is another Don Juan of the school but who wouldn't be with a personality like his.

**Roy Howell**

He has the wonderful gift for making basketball goals. Rather shy but we all are at times.

**Barbara Johnston**

She really can handle student affairs. The office would be lost without her. You've never heard a completely spoken vocabulary 'till you've heard Barbara's.

**Charles Kelly**

Did you ever see or ride in a car with him? If you value your life, don't! He also has such innocent expressions but they don't fool any of us.

**Wanda Knight**

She has such a sincere manner and such quiet ways. At least she never gets kicked out of any classes.

**Emery Hornaday**

He was born in the objective case. Never agrees with anything you say. How tall are you anyway Emery? He has one accomplishment, he can talk more and say less than any one else in school. Maybe that's a talent.

**Delwin Hurley**

He has the most wonderful ability to car-hop. He's interesting to talk to and makes good grades without cracking a book.

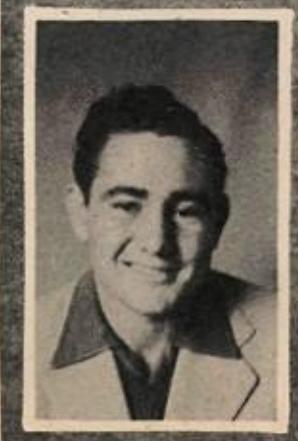

**Effie Keller**

She really is a swell sport. How does she manage to pass her subjects without studying?

**Douglas Kelly**

He's a quiet guy but he gets around. Let's hope he doesn't take after his brother. No offends please!

**Billy Knipe**

His Love for the Football Sweetheart. He's really clever and can he type. Oh! Man!

Joyce Labar

She's always been so friendly with such a pleasing disposition.

Celia Longoria

Her conscientiousness overwhelms us and she's so quiet. But that's alright, somebody has to be docile.

Donald Margrave

He has the most amazing ability to get into arguments. If the truth were known he probably fights with himself all of the time.

Nancy Monroe

We've never been able to figure out all of those mysterious absences. He's so scatter-brained that most of us are.

Jean Marie Morgan

She's quiet until you get her started, and talk bout an artist. You should see her paintings.

Forrest Lane

He has such pretty curly hair. And the mathematical mind that boy has - good grief!!

Ernest Lozano

Ernest has always been interested in sports. He has gained many friends with the help of his swell personality

*Ernest Lozano*

Billie Marie Means

She has the sweetest disposition that is topped with a pair of the cutest dimples you've ever seen. We're proud of her as our 1944 Cheer Leader.

Merwin Moore

Why Merwin! Look out girls here comes the famous casanova of H.H.S. Wonder where his harem is?

*Merwin Moore*

Nancy McBean

She's nutty as a fruitcake. This is the first time you'll ever see a sour look on her face. A swell friend and lots of fun. And some of the innocent ex-pressions she gets on her face.

*Nancy McBean*  
*Mary*

**Joe Lee Penry**

He has such an extreme shyness and it takes him so long to say anything. But that's o.k. because when he does talk, it's worth your time.

**Charles Powers**

Charlie is a typical Irishman, in fact his nickname is "Irish". He just loves Notre Dame, too!! Charlie's a good ole guy with plenty of friends.

**Lucille Privett**

She has a very nice hand-writing and is always willing to help everyone.

**Frances Robinson**

She is always so cheerful and so is her smile. You always find her in the best of spirits too!

**Serena Smith**

She has the cutest freckles. Always friendly and ready to help you in anything she can.

*Wilbert Pitzer*  
**Wilbert Pitzer**

His ambition to go to West Point is swell. We're really proud of someone like Wilbert. And he'll probably make it too. He's smart!

*Billy Price*  
**Billy Price**

Billy's rather quiet or should we say secretive!!! His interests lay mainly with hunting and fishing. School work doesn't seem to be his bother does it?

**Jean Reynolds**

We often wonder why her interests lie in Corpus Christi, but we have a good idea. Jean has a grand personality.

*Pat Sherertz*  
**Pat Sherertz**

Hates her name "Patty Maude"!!! She's really quite a card, and always has something funny to say. Pat has many admiring friends, boys as well as girls.

**Willie de Santos**

He has a grand personality and gets along with people just swell.

### erry Sondock

Um! those dark brown yes, and that curly brown hair. If you can ever get word in sidewise while in a conversation with erry, your doing good. As our editor he's done swell.

### illie Maye Thompson

Billie has such a cute smile and always laughs. She can really dance too.

### irrell Douglas Thorton

She's one of the best dressers in school and so sweet. It's surprising to know that there are so many smart people in our class and she's one of them.

### Dorothy Gene Torbett

She's really some musician. You should hear those fancy slides on her trombone and her violin playing is something to write home about. Lots of fun!!!

### uanita Toscano

She has a smile just like her brothers. She's good sport and has many friends.

### Iola Swanson

She's very quiet but that doesn't mean anything. We'll always remember her pleasant voice.

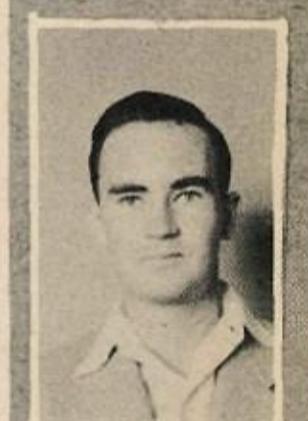

### Dorothy Thompson

She talks so fast you only catch half of what she has to say!-- and those freckles across her nose are so cute.

### Robert Tisdell

We all know Robert's a yankee and for being one of those!!! things he gets along awfully well with us Confederates. He's quiet and reserved-- but very interesting.

### Abel Toscano

His nickname is "shorty". He has such a cute smile and what a sense of humor. You might even add his line with the girls.

### Metta Tubb

We'll always remember her as the "Statue of Liberty" at the football games. She's rather quiet with a sweet disposition.

Rudy Vallejo

Rudy has lots and lots of swell friends. He graduates this year with a sigh of relief, but, that's O.K., Rudy, we all do.

Christina Vela

Here is a girl that can always be remembered for her cooperation. She's been a swell secretary to the Girl Reserves too!!

*Lots of love Bert*

Berta Wallis

We're proud of Bert as she's been one of our cheerleaders for two years. Oh! the clothes, the looks, the personality, and friends she has. We could go on for hours but there is no more room.

Danny Weaver

We'll always remember him as another Weaver boy. Danny has been one of our best football players. He's shy sometimes but at other times. Whee!!!

Arthur Wendt

He has the best sense of humor and such a quick smile that comes over his face in such short notice.

Betty Whitfield

She has such patience. Betty is always willing to help people. She's a peach of a Girl Reserve president too!!

*Harvey Wilcox*

Poor Harvey--we wonder if his voice is always going to be changing. Maybe he's a ventriloquist.

Bethena Williams

She has such quiet ways and so frank. She's quite a sportsman too!!!

*Albert Wolf*

Step right up folks and meet "Coot". We don't know where the nickname came from but it's different. Coots expressions or---ah---shall we say "wit" is really something.

Bob Wood

Sometimes it's hard to tell what Bob's talking about he uses such an extensive vocabulary. And on top of that he has a mathematical mind.

Frank Yates

If you ever get in  
an argument with Frank,  
---too! bad!--- you're  
sunk. He was President  
of the Band this year and  
did just fine.

Ernest Bossom

His reckless and care-free ways. He's a terror  
with a car. He's quiet and  
you don't hear much from  
him but when you do--Oh!

Billy Jack McKeand

Who could forget  
your subtle jokes and  
those horrid pranks that  
always occurred to you.  
We all loved you and  
especially the girls since  
this is Leap Year!!!

*Billy Jack*

### LITTLE THINGS

There's no use waiting for a chance  
To do some great and noble deed;  
When the little things of life  
Are the most incessant need

When there's a chance for a man to fight  
And his courage strong display,  
He'll take the chance and the glory too,  
It's just the human way.

But when there's a chance for him  
To do some humble little tasks,  
He'll pass them by with scarcely a glance.  
It's for bigger things he asks.

Yet anyone, when a crisis comes,  
Can have courage at his command,  
But only a few can always smile  
And lend a helping hand.

Throughout life we'll find  
That the great big tasks are few;  
But oh, the many little things  
That all of us can do!

And we need not think they are worthless,  
To large sums their totals amount;  
For in this world of mortals  
It's the little things that count.

---Hilda Davies

### MOTTO IMMORTAL

I can choose the path of life  
I'd like to follow along the way;  
I can help shape my destiny  
But one thing I must obey.

I can choose my standards  
And decide what they shall be  
But, one thing I cannot change--  
I have to live with me.

Thus this motto I shall take through life,  
Through earthly joys and earthly strife:  
So live that when I die  
I'll be able to look myself in the eye.

---Hilda Davies

#### FRESHMEN POME

Who are those luscious looking females  
That are not long out of pigtails;  
But whose charms would drive beserk  
the best of men?  
They're not movie stars or dancers,  
These beautiful romancers,

They're Freshmen!

See that couple laughing gaily as they  
wander down the hall?  
What they're thinking of you'll never  
really ken.  
Course the boy's a trifle smaller  
And the girl's a wee bit taller,  
But say no more--that explains it-

They're Freshmen!

When at noon the bell does ring  
And for food you have a yen,  
As the crowds around you pour,  
Who knocks you flat upon the floor  
To reach the lunchroom door?

The Freshmen!

When the team is in a spot  
And the game is getting hot,  
And the boys need a spark to put  
Them on the mark,  
Who makes the grandstand ring  
As they loudly shout and sing?

The Freshmen!

They yell like thunder for dear old H. H. S.  
Though they have not always known her,  
They act as if they won her;  
Though their actions scream their youngness,  
Who says what goes, the upperclassmen?

No, the Freshmen!

Though our tears have loudly rained  
Cause they are not better trained,  
And when their names are mentioned,  
We look extremely pained;  
We don't really want to rout them  
For we could not live without them,

THESE FRESHMEN!

Miss D. M.

Here's a one of the smallest stories I know — you've housed me some perfectly awful times this year and I hardly know how to thank you enough for that grand honor you gave me in York. Remember her if you always!

You're really a good leader and a all round guy — you've promoted this this year — Thanks again & the best to you! Love ya, Babbie

Dear S. M.,

It seems like only yesterday I was a bpt. and you a junior. We had so much fun these years. I only wish you could be here again next year. D. M. You're as fine as a bay as they come and you'll always have success, I guess that!!

Dear D. M.,

D. M., I will never forget the senior day at the back. I really think it was one of those time which had a grand time always with you. & I will also never forget the time when I was sick and you never forgot to come up to see me.
